

Landscape operative Job Description

Southern Counties Landscapes limited was established in 1997. Our clients are predominantly within the construction industry, whereby we provide soft and hard landscape services to new build developments and show homes.

Job Description

We are seeking an enthusiastic and proactive landscape operative who is looking for a new challenge. Candidates should have previous experience within a landscaping environment.

The Landscape Operative responsibilities and duties are but not limited to:

- Ensure a high level of workmanship at all times and that an overall high standard of finish is achieved on every project.
- Provide a professional service to clients.
- Work closely with the team leader to manage and implement works to an agreed timescale.
- Assess work area for any unforeseen constraints or alterations from the landscape drawing.
- Ensure the team leader is aware of your capabilities and previous training. Request training with the team leader or managers as required.
- Ensure areas are left tidy and any materials not used are stored safely onsite, in the company vehicle or returned to the company premises.

Essential Skills/Experience required

- Horticultural knowledge/previous industry experience
- Full valid UK driving license is essential
- Ability to understand architect drawings
- Experience with using horticultural machinery i.e. Rotovators/rollers/strimmer's
- Excellent communication skills with colleagues and clients
- Work in a clean and efficient manner with strong attention to detail
- Be a team player working with colleagues to promote a positive working environment
- Hardworking and passionate about your role
- Self-motivated and enthusiastic
- Punctual and good timekeeper

Preferable/Desirable

- CSCS card
- Basic agricultural machinery knowledge
- Desire for self-development
- Industry relevant training/accreditations
- Full driving licence with access to vehicle
